Tap into **America's #1 Educational Media Brand** for access to thousands of innovative, standards-aligned digital resources designed to enrich classroom instruction and build one-of-a-kind learning experiences.

Learn more. Make more. Be more.

The gap between technology and digital content is wider than ever. PBS LearningMedia is the trusted solution to bridge this gap, providing content that inspires educators and engages students in 21st century classrooms.

PBS LearningMedia is a comprehensive media on-demand digital content library that offers PreK–12 classrooms a flexible way to integrate media into daily instruction.

Engage PreK–12 Students with Media

- Videos
- Interactives
- Audio
- Games
- Images
- Print
- Productivity Tools

Create a personalized learning experience with our new suite of productivity tools, including a Lesson Builder, Storyboard, and Quiz Maker. These tools enable teachers and students to

become digital storytellers with access to video, audio, interactives and images.

Learning Has No Limits

Leverage these amazing digital resources to supplement instruction, reinforce core concepts, and support personalized learning solutions with service options to support all levels of engagement.

PBS LearningMedia Basic

A **FREE** media-on-demand service offering educators access to the best of public media and research-based, classroom-ready digital learning experiences that engage students in curriculum concepts.

- ▶ Common Core State Standards and National Standards alignment
- ▶ Contextualized content for classroom integration
- ▶ Robust search and browse features
- ▶ Save, organize, and download content
- ▶ Comment, rate, and share features

PBS LearningMedia Custom

An affordable solution for states and districts that includes all of the features of Basic with enhanced resources and functionality to manage local digital media needs, including:

- ▶ State Standards alignment
- ▶ Enhanced content library including full-length videos from leading educational producers
- ▶ Content and user management tools
- ▶ Robust reporting and analytics
- ▶ Integrated solutions to support existing digital portals

Infinite Inspiration for Your Classroom: New Student Portal + Teacher Tools

PBS LearningMedia now offers a student learning portal and a suite of productivity tools for teachers! These new features make it easy to create personalized learning experiences for students to explore inside and outside of the classroom.

PBS LearningMedia for Students

K-12 students now have a dedicated place to explore and engage with trusted content. PBS LearningMedia for Students offers direct-access to innovative resources giving students the freedom to investigate at their own pace and delve into topics that ignite their curiosity.

Productivity Tools for Teachers

New digital productivity tools make it easier than ever for teachers to connect students with curriculum concepts. Lesson Builder, Quiz Maker and Storyboard tools offer dynamic opportunities to personalize learning experiences while supporting a range of learning styles.
