Alma hears music and the subway rumbling in her neighborhood. Sometimes she and her friends hear the sounds of animals. Step outside in your neighborhood and listen. What sounds do you hear? What might be making those sounds? Use this page to draw and write about the sounds in your neighborhood.
Instructions: Anyone can write their own creature adventure. You just need to choose your creature, select your setting (where the adventure takes place), and decide on the plot (what happens to the creature in the setting). Try for yourself!
There's so much to explore when you're outside! You and your family can enjoy going on a nature walk and talking about the things you see. Look at the pictures below. How many of these things can you find?

"You Can Do It!" Frame

Just like Donkey Hodie cheered for Purple Panda, we can find support from others even when they might not be nearby. Create a Donkey Hodie "You Can Do It!" photo frame that you can look at when you need support.

“When I feel afraid, I can think about all the people who I have to cheer me on.”

INSTRUCTIONS
Step 1: Decorate the frame. Younger children may need help from an adult.
Step 2: Add a 4.5”x 3” photo or draw a picture of your family or friends.
Step 3: Show your framed photo to others.

Did you know that the Moon doesn’t actually change shape? This “change” is really the shadow of Earth as it blocks the Sun’s light from reaching the Moon. From Earth, the Moon will appear to have different shapes depending on where it is in Earth’s orbit.

**Look up at the Moon each night and draw what you see!**
