Help your child learn to share. Sit and roll a ball back and forth to encourage playing nice with others. [bit.ly/2oUFgKZ](bit.ly/2oUFgKZ)

Taking Turns to Roll the Ball
This game is great for teaching cooperation and turn-taking.

Why is this important?
- This game helps your child understand teamwork and how some things work better with a partner.
- Rolling a ball back and forth teaches cooperation, which will prepare you child for more advanced kinds of play with other children.
A third party evaluation\(^1\) conducted using surveys and focus groups from parents and caregivers has determined that Bright by Three’s curriculum has positive effects on parent and caregiver attitudes and behaviors, as well as children’s academic performance.
