

Learn at Home with PBS KIDS

Celebrating Spring

BINGO

# Learn at Home with PBS KIDS

**Week of  
March 22nd**

## **Hello, Families!**

Welcome to **Learn Along Bingo!** We're happy to share PBS KIDS activities with you and to work with PBS member stations and community partners across the country to help support learning at home. With Learn Along Bingo, children can view, explore, and play as they learn alongside their PBS KIDS friends on the PBS KIDS 24/7 channel. We hope your family will use it to inspire learning each and every day.

### **It's Celebrating Spring Week!**

In this packet, there are printable activities and everyday learning ideas for you and your child to choose from. As you complete each square, mark it off to celebrate the learning.

### **Learning Spotlight: Spring**

Children compare and contrast objects and organisms. They learn how to describe similarities and difference in greater detail.

### **Show What You Know: Nature Journal**

The last activity in this packet is a perfect way for children to write about what they observe outdoors.

**Tune in:** Watch **CURIOUS GEORGE** at 5pm ET on Tuesday, March 23rd on the PBS KIDS 24/7 channel.

Ready for more? Watch your favorite PBS KIDS shows on the 24/7 channel and live stream at [pbskids.org/video/livetv](https://pbskids.org/video/livetv) or on your local PBS station.

**Happy learning!**  
**PBS KIDS**

# Spring Color Wheel

Name \_\_\_\_\_

Flowers and budding trees burst with color in the spring. Take a walk in your neighborhood to find flowers, plants, and trees that match the colors in this spring color wheel. Draw what you find on the color chart, or if the flower or leaf is already loose from its tree or stem, gently tape it to the chart.

# NATURE JOURNAL

## EXPLORE, OBSERVE, CONNECT

Let's go on a mission — a Nature Explorer Mission! So many interesting things can be found at your national park, local park, or even your backyard. What do you see when you're walking outside? What do you smell? Hear? Feel? Use this journal to record all of your exciting findings. Become a Nature Detective and document the nature around you. Draw a picture of what you see or smell. Or, take photographs with a camera and make a scrapbook of your findings. The options are endless!
