Learn at Home with PBS KIDS

**Week of
May 10th**

Hello, Families!

Welcome to **Learn Along Bingo!** We're happy to share PBS KIDS activities with you and to work with PBS member stations and community partners across the country to help support learning at home. With Learn Along Bingo, children can view, explore, and play as they learn alongside their PBS KIDS friends on the PBS KIDS 24/7 channel. We hope your family will use it to inspire learning each and every day.

It's All About Animals Week!

In this packet, there are printable activities and everyday learning ideas for you and your child to choose from. As you complete each square, mark it off to celebrate the learning.

Learning Spotlight: Animals

All living things have different parts. Children will learn to describe an animal's physical characteristics like their color, shape, size, and texture.

Show What You Know: Make a Paper Pond

The last activity in this packet is a perfect way for children to learn about animals and how to describe them.

Tune in: Watch **ELINOR WONDERS WHY** at 4:30pm ET on Tuesday, May 11th on the PBS KIDS 24/7 channel.

Ready for more? Watch your favorite PBS KIDS shows on the 24/7 channel and live stream at pbskids.org/video/livetv or on your local PBS station.

Happy learning!
