BINGO

Learn at Home with PBS KIDS

**Week of
October 26th**

Hello, Families!

Welcome to **"Learn Along" Bingo!** We're happy to share PBS KIDS activities with you and to work with PBS member stations and community partners across the country to help support learning at home. With "Learn Along" Bingo, children can view, explore, and play as they learn alongside their PBS KIDS friends on the PBS KIDS 24/7 channel. We hope your family will use it to inspire learning each and every day.

It's Let's Vote Week!

In this packet, there are printable activities and everyday learning ideas for you and your child to choose from. As you complete each square, mark it off to celebrate the learning.

Learning Spotlight: "Taking Action in Our Community"

This week, we're learning how to take action. Taking action gives us a chance to make positive changes in our communities.

Show What You Know: Letter to the President

The last activity in this packet is a perfect way for children to show what they've learned about taking action in their community with a grown up.

Tune in: Watch ARTHUR at 1pm EDT on Tuesday, October 27th on the PBS KIDS 24/7 channel.

Ready for more? Watch your favorite PBS KIDS shows on the 24/7 channel and live stream at pbskids.org/video/livetv or on your local PBS station.

Happy learning!

Literary List

Name

Make a reading list. Think about topics and types of stories that interest you. Ask your teacher or a grown up to help you find books or resources based on your list. Make a list of books that you want to read with family members. Take a vote to decide which book you will read first.

I'm interested in learning more about topics like:

I'm interested in genres like:

My reading list:

Genres:
(A genre is a category or type of literature.)
Drama: A drama usually refers to a serious story.
Comedy: A comedy usually refers to a funny story.
Poetry: Poems tell a story or describe a person, place, thing or idea. Poems are usually shorter than stories and often rhyme.
Science-fiction: Science-fiction stories are imaginary stories that often take place in the future or in space.
Biography: Biographies are true stories about real people.
Non-fiction: Non-fiction books are about something that really happened. Non-fiction can be about the past (history) or the present.

I Voted!

You, your family members, and your friends have different interests and hobbies. Some people like to read books, others like to solve math problems, play an instrument, practice a sport, or draw. Host an election and ask each person in your family to vote for an activity they would like to do the most - together. Everyone will make their choice and place their ballot in the ballot box. After votes have been cast (after people choose), count together the number of votes for each activity. Talk with your family about which activity received the most votes. Talk about which had the least number of votes. Did anything surprise you? Talk about the outcome and enjoy the activities in the order that received the most votes to the least.

OFFICIAL BALLOT

Place an "X" in the box to choose the activity you would like to do the most as a family.

CHOOSE ONE.

- ☐ read a book
- ☐ draw
- ☐ make a craft

On Election Day, in many communities, voters receive a sticker, a badge, or a button after they cast their ballot. This token both recognizes participation and encourages others to vote.

Color and cut out these "I Voted Today!" badges. Share them with members of your family after they cast their ballot. You can help celebrate and recognize their participation in the election.
