### ANIMAL GUESSING GAME

**Directions:**  
(for 2 or more players)

1. One player is selected to go first. That player should think of an animal.
2. The player needs to provide word clues that describe the animal so that the other player(s) can guess the animal. But be careful – Don't slip up and say the animal's name!
3. The first player who guesses the animal correctly goes next.

**Example:**

- "It's the world's fastest animal."
- "It lives in Africa."
- "It has spots."
- "It purrs like a cat."

Answer: "It's a Cheetah!"
