Hello, Families!

Welcome to **Learn Along Bingo!** We're happy to share PBS KIDS activities with you and to work with PBS member stations and community partners across the country to help support learning at home. With Learn Along Bingo, children can view, explore, and play as they learn alongside their PBS KIDS friends on the PBS KIDS 24/7 channel. We hope your family will use it to inspire learning each and every day.

It's Healthy Me Week!

In this packet, there are printable activities and everyday learning ideas for you and your child to choose from. As you complete each square, mark it off to celebrate the learning.

Learning Spotlight: Developing Healthy Habits

This week, we're learning how developing healthy habits is important because it helps us to take care of ourselves.

Try a New Food. It Might Taste Good!

**If you try lots of different foods, you
might find something that's grr-ific!**

Did you know that you should try a new food more than ten times?
Your taste buds need to get used to it! Talk with your child about the
different food groups.

Try out foods from each group:

Draw a picture of the food you tried. For each food, circle the picture of
the face that shows if you thought it was good or if you will try it again.

A Fruit (Like a banana, a kiwi, or a pear)		 Good	 I'll try it again.
A Vegetable (Like lettuce, a cucumber, or an eggplant)		 Good	 I'll try it again.
A Protein (Like beans, nuts, or eggs)		 Good	 I'll try it again.
A Dairy Food (Like yogurt or cheese)		 Good	 I'll try it again.
