

# ZIGGY'S

## × ARTS ADVENTURE ×

**Ziggy's Arts Adventure** is an educational puppet series for children in grades K-5. Each episode will introduce children to a new art concept while building critical and creative thinkers.

### KEY LEARNING GOALS

Ziggy will help strengthen core academic concepts while also helping young minds understand more complex subject matter like time, inquiry, sound, and space, all with the help of fun and interactive learning activities that reinforce the lessons in each episode. Young viewers will also see emotionally and socially intelligent behaviors like collaboration and problem solving modeled by the show's characters.

### MEET THE CHARACTERS

**Ziggy** is a bright, curious & kind 9-year-old alien who travels to Earth in search of art! Boy, does he find it!

**River** is big-hearted, but a bit of a worrier. He wants everyone to get along.

**Jack** is a tinkerer & inventor. You never know what he's going to come up with!

**Cynthia** is full of positivity & a perfectionist. Of course, she loves numbers!

**Nic** brings the drama & dreams of being a rockstar.

**Pat** is a loyal and protective friend who loves to read.

**Action AI** is all about his community & is always finding ways to help others.
